Dear Dr. Quisenberry:

In my letter to you of February 12, 1973, regarding approval of State permit programs for the National Pollutant Discharge Elimination System, I noted that the form to be submitted by the State Attorney General would be sent to you as soon as available. This form has recently been forwarded to us by the Assistant Administrator for Enforcement and General Counsel, and is enclosed, along with his memorandum of transmittal. Identical copies have already been sent to your Attorney General.

Sincerely,

Original signed by
